

Dear Prospective Family:

Thank you for your interest in Smith Mountain Lake Christian Academy (SMLCA). Our doors opened in 2008 and we have been blessed with steady growth since our inception. We were very excited to have our first graduating class in May of 2015.

Our goal is to offer the communities at Smith Mountain Lake education options that provide academic excellence with a Christian Worldview. Our academics incorporate tools, methods, and techniques to grow students spiritually, mentally, and physically. All subjects, in all grades, are taught from a Biblical perspective with mastery as part of our focus. In order to measure mastery, our students take standardized tests toward the end of each academic year to gauge progress and we have 75% of our students testing at or above grade level.

SMLCA began a Pre-K program for 4- year old's in 2010, and it has now been expanded to include 2 & 3- year old's. We are blessed to have two incredible teachers who channel their energy and keep them busy while working to introduce them to a school setting. This program is academically challenging and incorporates both structured academic and center- based play for learning. Our goal is to generate students with a love for learning who are ready to tackle all that kindergarten has to offer. Spanish is also being taught starting with Pre-K. We are excited as we feel this helps to place the students ahead.

To support our students in good health, Physical Education (PE) is part of their week. Upper and Lower school have physical educational classes each week. In addition to PE, we offer Middle thru High School Boys and Girls Basketball and Cross-Country Teams. Also, a High School boys baseball team and a Middle thru High School girls Soccer team. These activities also promote team building and good sportsmanship, all while sharing our faith and trust in God.

Experiencing life is another facet of our curriculum at SMLCA. Experimental or exploratory learning is provided through a variety of activities to include field trips and community service outreaches. Our students make regular visits to a local retirement community, participate in local outreach programs, and support a variety of initiatives such as national school choice week.

Board of Directors: 2018-2019

The SMLCA Board provides oversight and accountability for the operation of the school and will report to the East Lake Community Church (ELCC) Board. Through an organization of standing committees, the board will protect the integrity of the school by insuring the school remains true to its mission. The board will set tuition, approve the budget, develop long range planning, and help raise funds through capital campaigns and the annual fund.

Prospective board members should be faithful believers in Jesus Christ and active in their church. They should possess a testimony beyond reproach and have a passion to serve, help, and promote SMLCA.
