PROGRAM DEDICATION

Our production of Prince of Egypt is dedicated to Mitch Ramaker. We thank him for his many years of dedication to our fine arts program. Mitch designed and built our stage turntable. We are thankful for many sacrifices and support to help expand the arts for God's glory. His selfless heart and amazing craftsman skills are a blessing to our community.
Thank You Mitch!

ASL ACKNOWLEDGEMENT

We have a student that is part of our cast that is ASL. She has been a special part of our department for many years. This year we have incorporated signing as part of our blocking to highlight her strengths and accommodations that many of us may take for granted. She is also a part of some of our musical numbers in tonight's program. For those that do not know, she uses the beats and the vibrations of the tracks to help her stay with the pacing of the songs.

SPECIAL PART OF OUR PROGRAM

During our finale song "You Cover Me", there will be a slide to request that you join us in worship together with the Lord to close out our program.

We will also have a special time to honor our seniors at the closing of our Friday night show.
